

Don't Quit

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low, and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit
Rest if you must, but don't you quit.

Life is strange with its twists and turns,
As everyone of us sometimes learns,
And many a failure turns about,
When he might have won had he stuck it out,
Don't give up though the pace seems slow,
You may succeed with another blow.

Success is failure turned inside out,
The silver tint of the clouds of doubt,
And you can never tell how close your are,
It may be near when it seems so far,
So stick to the fight when you're hardest hit,
It's when things seem worst
That you must not quit.

Dear Oranna,

We support your efforts to "repeal" the U.P.A.
We are in a battle too, if you have time, please visit our
uncensored website at <http://californiavalleymiwoktribe.us>

We too have a hard time getting people to notice what is
happening to our tribe. Being a member tribe of the NCAI you
would think that these kinds of issues would light a spark
because, lets not kid ourselves what affects one, affects all!!

My heart goes out to you and your people. Please stay strong!!
Those before us showed us that we are survivors. I know what it
feels like to stand alone and have others turn away when you are
near your wits end. The frustrations are beyond words. I know its
not much but please accept my personal donation of \$200.00
dollars towards your victory! Be it known, you do not stand alone

Respectfully,

Silvia Burley, Chairperson
California Valley Miwok Tribe
