Dear Ms. Felter:

Our office has received a copy of your correspondence postmarked June 22, 2006. Thank you for this information. Please be advised that the Commission on Civil Rights is not empowered to assist you.

Based upon a review of your correspondence, I suggest that you obtain the services of an attorney of your choice with whom you may explore your legal options. The Commission does not have and cannot supply attorneys nor can it be involved in any matter requiring litigation or a court case.

You may also want to direct your energies toward encouraging Congressional action on your request to repeal the Ute Partition Act. We will maintain your letter in our files.

Good luck with your efforts.

Sincerely,

A handwritten signature in blue ink, appearing to read "Thomas V. Pilla".
